

# Keep On Loving You

Ronnie Dunn

Songwriters: Dunn, Ronnie; McBride, Terry

Love takes the patience of Job  
That's what my mama always said  
Faith is a belief in somethin' more than what you know  
That's what the Good Book says

Gotta play the cards you got, who knows what Fate is holding  
At times, you gotta go without knowing where you're going

It's why I keep on lovin' you, keep on lovin' you  
Through the "Baby, don't leave me"s and "never will again"s  
And "I promise to"s  
Oh, I keep on lovin' you

Lord knows we've had our share of fights,  
Of sleepless nights, of ups and downs  
We've had plenty and then some  
Of "Baby, I'm gone"s and turn arounds

Sometimes, I swear it might be easier to throw in the towel  
Someday, we're gonna look back and say, "Look at us now"

That's why I keep on lovin' you, I keep on lovin' you  
Through the "Baby, don't leave me"s and "never will again"s  
And "I promise, too"s  
I keep on lovin' you, I keep on lovin' you  
Through the "I take it back"s, "I didn't mean it like that"s  
"I'd never hurt you"s  
Oh, I keep on lovin' you

Oh, I keep on lovin' you, I keep on lovin' you  
Through the "Baby, don't leave me"s and "never will again"s  
And "I promise, too"s  
Oh, I keep on lovin' you, keep on lovin' you  
Through the "I take it back"s, "I didn't mean it like that"s  
"I'd never hurt you"s  
Oh, I keep on lovin' you

Keep on lovin' you  
Keep on lovin' you
