

# All Is Fair In Love And War

Ronnie Milsap

Now the first is that there ain't no rules  
Some you win and some you lose  
Just when you think that love is true  
Somebody makes a fool out of you  
Like it or not one thing for sure  
All is fair in love and war.

You and me, we make love all night  
Then we end up in a knock down, drag out fight  
We kick and cuss and scream and shout  
Until we forget what we're fightin' about  
Kiss, makeup and make love some more  
'Cause all is fair in love and war.

Well, anything goes when it come to love  
Someone's going down when push comes to shove  
It's a fight to the finish with no holds barred  
If someone winds up with a broken heart  
That's tough, that's real tough.

Now baby you know I sure would grieve  
If you were to ever leave me  
I guess I'd have to find me someone new  
Someone who's a little bit prettier than you  
Just to even up the score  
'Cause all is fair in love and war.
