

(I'm A) Stand By My Woman Man

Ronnie Milsap

At five o'clock she knows I'll soon be home
And she don't worry 'bout me runnin' round
'Cause all of my good times are waitin' right there for me
And she knows where I'll be when the sun goes down

I'm a stand by my woman man
Our world turns around a little gold band
And love leads us through life, hand in hand

I'm a stand by my woman man
We fall asleep at night thinkin' ain't love grand
That's why I'm a stand by my woman man

When she's down, she knows I'll be beside her
'Cause I'm not just her lover, I'm her friend
Our love keeps gettin' better and I'll gladly spend forever
Standin' by the woman who stands by her man

I'm a stand by my woman man
Our world turns around a little gold band
And love leads us through life, hand in hand

I'm a stand by my woman man
We fall asleep at night thinkin' ain't love grand
That's why I'm a stand by my woman man

I'm a stand by my woman man
(Stand by your woman man)
We fall asleep at night thinkin' ain't love grand
That's why I'm a stand by my woman man
That's why I'm a stand by my woman man
