

# In No Time At All

Ronnie Milsap

The moment that you smile is when it all began  
And in no time at all we were best of friends  
The moment that we kissed the feeling grew and grew  
And in no time at all I was loving you  
In no time at all you let me ride inside your heart (your heart  
)

We felt that we had it all  
Never dreaming love could fall apart  
In no time at all

So when the ending came it took me by surprise  
Cause in no time at all you told me goodbye  
In no time at all you let me ride inside your heart (your heart  
)

We felt that we had it all  
Never dreaming love could fall apart  
In no time at all you let me ride inside your heart (your heart  
)

We felt that we had it all  
Never dreaming love could fall apart  
In no time at all  
In no time at all
