

## Not That I Care

Ronnie Milsap

So you saw her last night with her new love  
Yes they tell me they make quite a pair  
And that they both look happy together  
I just wonder, not that I care.

Tell me did she look lovely as ever  
Like an angel with golden hair  
Does she still close her eyes when she dances  
I just wonder, not that I care.

Once I thought I couldn't live without her  
Funny how wrong I could be  
Now I hardly ever think about her  
What she does, doesn't mean a thing to me.

Well, it's late so I guess I'll be going  
Too much smoke, what I need is some air  
By the way did she ask you about me  
I just wonder, not that I care.

I just wonder, not that I care...
