Please Don't Tell Me How The Story Ends

Ronnie Milsap

This could be our last goodnight together We may never pass this way again Just let me enjoy 'till its over or forever Please don't tell me how the story ends.

See the way our shadows come together
Softer than your fingers on my skin
Someday this may be all that we'll remember of each other
Please don't tell me how the story ends.

Never's just the echo of forever Lonesome as the love that might have been Just let me go on loving and believing 'til it's over Please don't tell me how the story ends.

Please don't tell me how the story ends...
