

# Smoky Mountain Rain

Ronnie Milsap

I thumb my way from L.A. back to Knoxville.  
I found out those bright lights ain't where I belong.  
From a phone booth in the rain I called to tell her, I've had a  
change of dreams I'm coming home.  
But the tears filled my eyes when I found out she was gone.  
Smoky Mountain rain keeps on falling, I'll keep on calling her  
name.  
Smoky Mountain rain, I'll keep on searching, I can't go on hurt  
ing this way.  
She's somewhere in this Smoky Mountain rain.  
I can't blame her for letting go, a woman needs someone warm to  
hold. Feel the  
rain running down my face, I'll find her no matter what it take  
s.  
[repeat chorus]  
I waved a diesel down outside a cafe, said he was going as far  
as Gatlinburg.  
I climbed in the cab all wet and cold and lonely.  
I wiped my eyes and told him about her.  
I've got to find her, Can you make these big wheels burn.  
smoky Mountain rain keeps on falling  
I'll keep on calling her name.  
Smoky Mountain rain, I'll keep on searching  
I can't go on hurting this way.  
She's somewhere in the Smoky Mountain rain.
