

## Too Late To Worry, Too Blue To Cry

Ronnie Milsap

I broke your heart dear  
I was untrue  
And now I've lost you  
What can I do?

I hope you're happy baby  
For I'll get by  
Too late to worry (too late to worry)  
Too blue to cry. (too blue to cry.)

Our love has ended  
You say we're through  
You found a new love  
And he's so good to you.

I'll always love you baby  
As days go by  
It's too late to worry  
I'm too blue to cry.

I hope you're happy baby  
For I'll get by  
It's too late to worry  
I'm too blue to cry... (too blue to cry...)
