What A Difference You've Made In My Life

Ronnie Milsap

What a difference you've made in my life. What a difference you've made in my life You're my sunshine day and night Oh, what a difference you've made in my life.

What a change you have made in my heart What a change you have made in my heart You replaced all the broken parts Oh, what a change you have made in my heart.

Love to me was just a word in a song that had been way overused But now I've joined in the singin' 'Cause you've shown me love's true meanin' That's why I want to spread the news.

What a difference you've made in my life What a difference you've made in my life You're my sunshine day and night Oh, what a difference you've made in my life.

What a difference you've made in my life (listen to it) What a difference you've made in my life You're my sunshine day and night Oh, what a difference you've made, yeah.

What a difference you've made in my life Difference you've made in my life What a difference you've made in my life You're my sunshine day and night Oh, what a difference you've made.

Go ahead and sing it.

What a difference you've made in my life What a difference you've made in my life, Yeah-heah-eah-heah You're my sunshine day and night Oh yeah, sing it to me What a difference you've made.

What a difference you've made in my life, woh-oh-oh-oh What a difference you've made in my life You're my sunshine day and night Oh, what a difference you've made What a difference you've made, in my life...
