

Weight Of Your World

Roo Panes

Sleep, leave it behind
Lay all your burdens aside.
For here, we have no time,
So sleep and just leave it all behind.

And all you have to do is call,
And I'll come running to your side,
I'll take the weight of your world from off your shoulders girl

Tomorrow's a new day,
And yesterdays tales far away,
All will be alright,
So sleep and just leave it all behind.

And all you have to do is call,
And I'll come running to your side,
I'll take the weight of your world from off your shoulders girl

Nothing can get you, you know I've got you, you're in my arms.
Nothing can get me, I know you've got me I'm in your arms. x2
