

## My Ocean

Rookie of the Year

put that quarter in the jukebox baby, like we did before  
a roomful of spinning colors as she makes the call  
and you'll say what you say, and you'll do what you do so well,  
yeah  
as the morning hits your eyes, you'll just forget

next weekend you're a birthday girl, another year goes by  
the room is full of spinning colors, the same as before  
i've seen this one before  
and i'll say what i'll say, but you'll do what you do so well,  
yeah  
as the morning hits my eyes, i'll sing

your love's like an ocean  
it's in and out  
it's in and out

forgive me when i tell you i don't feel i've had enough  
and you fall down okay, whoa  
and you fall down okay, whoa
