Rookie of the Year

put that quarter in the jukebox baby, like we did before a roomful of spinning colors as she makes the call and you'll say what you say, and you'll do what you do so well, yeah

as the morning hits your eyes, you'll just forget

next weekend you're a birthday girl, another year goes by the room is full of spinning colors, the same as before i've seen this one before and i'll say what i'll say, but you'll do what you do so well, yeah as the morning hits my eyes, i'll sing

your love's like an ocean
it's in and out
it's in and out

forgive me when i tell you i don't feel i've had enough and you fall down okay, whoa and you fall down okay, whoa
