

Don't Let The Sun Go Down

Room 2012

I woke up with my head in the clouds
i gotta big fine smile
and im ready to ride
It's a good day (good day)
It's gonna be a hot day (hot day)

Head down town just to check out the vibe
Take a hundred million honeys try'in catch my eye
I'm like a hot damn (hot damn)
It's gonna be a good day (good day)

All day long see different people
Runnin round in circles playing different sequels
It's just a case like a common people
so if you wanna get up on it

Don't let the sun go down - down - down
Don't let the sun go down - down - down
Don't let the sun go down - down - down
Don't let the sun go down on you

Yeah Yeah
she fellin the vibe she say
she say she likes the way she's putting it down
I'm like hot damn (hot damn)
It's gonna be a good day (good day)
Yeah check it out

wake up in the morning
all ya wanna do is hesitate
switching your philosophy from action to procrastinate
wait i'll do it in the evening

Wait are you with the easy
Now I'll do playing wrong to you
cut when the D (?) you're my sweedest
tomorrow may nothing come

All day longs see different people
Honey round Cicres (?) play different secron
It's just a case like a common people
so if you wanna get up on it

Don't let the sun go down - down - down
Don't let the sun go down - down - down
Don't let the sun go down - down - down
Don't let the sun go down on you

Don't let the Sun go down on me
don't let don't let - to lait to lait
Don't let the Sun go down on me

don't let don't let - to lait to lait
Don't let the Sun go down on me
don't let don't let - to lait to lait
Don't let the sun go down on you..
