

## Could That Be You?

Room Eleven

Water in the sink  
Coffee Cup  
Dishes  
Spoon, forks and wishes  
Glasses with lipstick

Soul music in the background  
I can't hear 'cause the tap is running  
Oh I miss another voice, another sound  
I want to have some fun

I need someone  
Oh, yes I do  
I need someone to help me drying  
Oh, could that be you?

Soap and bubbles  
My dishwasher out of order  
I'm splashing all the water around  
It could be so much fun, but i'm all alone

I need someone  
Oh, yes I do  
I need someone to help me drying  
Oh, could that be you?

I could say that I don't care  
But that just ain't true  
Oh it's not fair  
That I'm talking to myself when I could be  
laughing with you

I need someone  
Oh, yes I do  
I need someone to help me drying  
Oh, could that be you?

It's not that I hate drying  
But I can't deny  
I need someone to talk to  
Oh, could that be you?  
Could that be you?
