

Are You Afraid?

Rooney

Are you afraid of me?
Well are you afraid of me?

What are you trying to do to me, to do to me?
What are you trying to prove to me, to prove to me?

There's something you're not saying
but your actions say enough
And I don't know what's really going on

I leave a message every night
but you don't call me
The only times we ever talk you're in a hurry

I know my reputation
doesn't help you sleep at night
But lately baby I feel I don't know you

I thought we were the same
But now you play this game
You're young no fun
And you're making me crazy
