

## Blueside

Rooney

The colors have built up in my mind  
They're bleeding through my heart  
And nobody knows that they exist  
Look at my bursted veins  
Now do you see the red in me  
It's a sign for the end

Only the end of the red  
Will show you my blue side

I've been given my brush and plate  
But where will i paint my life  
And will the buyer in the sky  
Believe in what i dream  
And it's so hard for me to explain  
What i will miss  
To myself
