

I Don't Understand

Rooney

I put up with the bickering
I keep forgetting how deep I'm in
I put up with your putting down
You said this high school hope won't be coming around

And it's true
I've seen it before
And it's you
Who's asking for more
But I'll take my time
And I'll take it away
From all the no-go missile toes
There's nothing to say

Don't make me wait
Don't hesitate
I won't let you go
I won't let you go
It's all been a while
I haven't seen your smile
I don't understand
I don't understand you

I don't know what you're looking for
A new face or a coat for the poor
It doesn't have to take this long
But you lost the crowd before the end of the song

And it's true
You get what you want
If you knew
You knew what you got
But you never see 'til the end of the day
You're a blind bat water rat slippin' away

Don't make me wait
Don't hesitate
I won't let you go
I won't let you go
It's all been a while
I haven't seen your smile
I don't understand
I don't understand you

I know it's now or never
I know you're gone forever
But this wave pool I'm swimming in
It's not fair

I don't understand
No I don't understand
I don't understand
No I don't understand
I don't understand
No I don't understand
I don't understand
No I don't understand you.
