

## Darksome Prophet

Root

The Darksome Prophet  
Comes through The Time  
His words precede his Deeds

The Darksome Prophet  
Speaks to you with The Voice  
To you all and all your Sons

The Darksome Prophet  
His hand makes the Sign  
His gesture penetrated with Wisdom

The Darksome Prophet  
Will turn the dust in Silver  
Lie and truth seem to be Virtue

The Darksome Prophet  
A fiery glow in his eyes  
Will burn everything - even the saint preachers

The Darksome Prophet  
The darkness of Dreams comes alive  
Do as your Wisdom tells
