

Dygon / Monstrosity

Root

What is - the world, love,
life, understanding, faith,
delight, lust, pain,
joy, grief, making love,
dying, being born, rising,
doom, honor, bravery,
knavery, deception, sincerity,
obsession, art, harmony,
barbarity, kindness, favors,
horror, anger, hatred,
flowers, rivers, lakes,
rocks, birds, animals,
people, children,
man or woman?

I don't know!
I know only one word:
"Destruction!"
