

She

Root

Dark diamonds in your eyes
Oh, how bewitched they glow.

What are you hiding mysterious Goddess
Do you know my Secrets, maybe?

I can see your face by day, by night
I can see you in ponds, in rocks.

I can hear you in the leaves, in the wind
I can hear you in the rivers, in the seas.

I know you from the very Ages
You are everywhere I am.

DAEMON: ...And She called upon her Dead. It was the last hope.
For everyone. However, our fight with the human just started and
our mistrust of success had its deep roots inside us.
