

Follow The Spirit

Rootwater

(follow the Spirit, follow the Spirit, follow the Spirit; to the light, to the light)

You never know, know, maybe today's the day
The time of transforming the reality
maybe you only need to open your eyes
and see the real life, and really feel the life

I feel, but I've never seen
such a degradation, now I know
I've never known, never realized
I was in the grave, I was losing my life

and now I can see
the things have become real
I don't need to lie
I'm learning new life

(follow the Spirit, follow the Spirit, follow the Spirit to the light, to the light)

You never know, know, maybe today's the day
the end of temporary life, beginning of the rest
and now you have two ways to carry on your life
follow the Spirit □ live or go back and die

follow the Spirit
follow the Spirit
follow the Spirit
live or die
live or die
follow the Spirit
follow the Spirit
follow the Spirit
live or die
live or die

I feel, but I've never seen
such a degradation, now I know
I've never known, never realized
I was in the grave, I was losing my life

AND NOW I CAN SEE
THE THINGS HAVE BECOME REAL
I don't need to lie
I'M LEARNING NEW LIFE

I FEEL, YOU KNOW ME, I FEEL YOU KNOW
I RECOGNIZE THE WAY OF MINE
I KNOW WHERE TO GO
STAY HERE, GIVE ME YOUR POWER
NEVER LET ME GO
TAKE ALL MY FALSE DESIRES
LEAD ME TO THE SOURCE

I FEEL LOVE FOR THE FIRST TIME
first time in my life

FIRST TIME I FEEL UNITY
OF SPIRIT, FLESH AND BLOOD

I FEEL, YOU KNOW ME, I FEEL YOU KNOW...
I FEEL
