

Haydamaka

Rootwater

Do you wonder why I, fly like an eagle - so high
And my spirit blows like a wind
No limits for me, my life is just to live
The life is too short to lose it

I have nobody to hate
I leave it for my enemies

I'm a rebel, and you can be a rebel too
Freedom! - believe it !
Be like a Haydamaka in me

I'm a rebel, and you can be a rebel too
Freedom! - believe it !
Be like a Haydamaka in me

Fight
Like a Haydamaka in me
Fight (tu di tu)
Like a Haydamaka in me

Listen to me, I'm not the enemy
I have my way, your's not for me
No means No and White is White
No more future for lies
You are free you can dislike me
But don't tell me who I should be, because
No means No and white is white
No more future for lies
No more lies

Your life is yours
It's only your choice
Don't convince me it's OK.
Go your way
Never turn me back
The life is too short to lose it

I'm a rebel, and you can be a rebel too
Freedom! - believe it !
Be like a Haydamaka in me

I'm a rebel, and you can be a rebel too
Freedom! - believe it !
Be like a Haydamaka in me

Fight
Like a Haydamaka in me
Fight
Like a Haydamaka in me

Listen to me, I'm not the enemy
I have my way, your's not for me
No means No and White is White
No more future for lies
You are free you can dislike me
But don't tell me who I should be, because

No means No and white is white
No more future for lies
No more lies
