

Realize

Rootwater

Realize , the time has come
when you don't need to do anything
Realize , all has gone
and you can do nothing

All those who's known you
all that you know
you can't see it
like in (the) room with no light
there's no return
it's one way trip , with the limited time

But , there were a lot of dreams
a lot of love that you would share
friends whom you were to help
your faith you would gain
freedom to enjoy it
outstanding affairs

Now I feel it
I've lost my time
I feel it
I was outside
now I feel it
I've never built anything
I feel it
I was waiting
for ...
the end
