Red Love

Rootwater

She cried sorrow when the movie star died alone
With red love in her back she will cry no more
Red is what I make her love and red is what I give
Today, the day, my day, the red in me

Why-a-loner fucker, now alone and lacking, gone this
far
To love you red
Why-a-loner fucker, now alone and lacking, gone this
far
To love you red

I'm no one, just no one
Pray for break
I'm no one, just no one
Love 'til break
All is so nice (nice), illusion so nice (nice)
It's never enough, no it's never enough
All is so nice (nice), illusion so nice (nice)
You'll never forget, no you'll never forget, no

You crawled far, you escaped far away from me
Tried to stop you there was nothing I could say
You went downhill, stole myself, nothing I could say
So what you're trying to say? Oh, what you're trying to
say?

Why-a-loner fucker, now alone and lacking, gone this
far
To love you red
Why-a-loner fucker, now alone and lacking, gone this
far
To love you red

Don't you want to play no more?
What you want just don't mean shit
Because I see your back, you turn away from me
And if I could I'd bury aknife in your spine
This is my love to you, this is my love to you, get up
And say you'll never leave me
Say you'll never look back now
Lie to me, say you never will leave me
Lie to me, say you'll never think twice now
Lie to me, say you'll never will leave me
Lie to me! This is my love to you now
Lie to me! I would strike if I could
Lie to me! What you need, what you want now
Lie to me! Do we think the same way?
I want to trust, to believe, to have faith
I want the knife to fall from my hand
But you still lie to me, you steal and cheat and I
forgive…

Why-a-loner fucker, now alone and lacking, gone this
far
To love you red
Why-a-loner fucker, now alone and lacking, gone this

far
To love you red

I'm no one, just no one
Pray for break
I'm no one, just no one
Love 'til break
All is so nice (nice), illusion so nice (nice)
It's never enough, no it's never enough
All is so nice (nice), illusion so nice (nice)
You'll never forget, no you'll never forget, no

I'm no one, just no one
Pray for break
