

agal hazahab !

another fear of mine, hunger which destroys
emptiness , deep abyss , a hole in my soul
no way to fill it , mess in my head
only alcohol ,crack and casual sex

I've took an axe , found a garden and cut the tree
in the image of mine I've tooled it
I covered it , covered it with a plate of gold
then I have a slave then I have a god

Loving You , Loving You , Loving You
it's not a dream for me , not to carry out
Loving You , Loving You , Loving You
I stay in hell of my loneliness
Loving You , Loving You , Loving You
if I have a stone instead of a heart
Loving You , Loving You , Loving You
even if the life is so fuckin' hard

full of noise , full of chaos, devoid of faith
I profess my image, profess may hate
I don't have to be happy it's not a duress
I've got an alcohol ,crack and casual sex

I've took an axe , found a garden and felt the tree
in the image of mine I've tooled it
I covered it , covered it with a plate of gold
then I have a slave then I have a god

Loving You , Loving You , Loving You
it's not a dream for me , not to carry out
Loving You , Loving You , Loving You
I stay in hell of my loneliness
Loving You , Loving You , Loving You
if I have a stone instead of a heart?
Loving You , Loving You , Loving You
even if the life is so fuckin' hard

(: He that is unjust, let him be unjust still: and he
which is filthy, let him be filthy still:)

seven angels sent to destroy my brain
hail and fire on my head
I have sold the seal of God from my forehead
there's my way to second death (my way to death)

I've seen you
fallen because of
faith of mind
so have I
