

Another day
another time
another fear
another lie
another time to go to the light
I screw up my eyes
beginning the fight

Fight is a way of life
you agree to kill , when
everybody is an enemy

fear and hate emotions
you know best
necessary to fight
necessary to live

with no hope , faith already left
living day by day ,oblivion is the rest
day by day you become an animal
trying to survive , waiting till the night

I live every day life
I venture all my time
Spirit leads somebody
Do you wanna be somebody ?
life's not only the heart beat
ought to feel , ought to believe
OUGHT TO KNOW WHAT MATTERS
AND I FIGHT WHEN IT'S TIME TO

FEAR OF EVERY DAY IN MY MIND
NOBODY CAN FEEL IT , NOT TO REALIZE
IT DOESN'T MATTER : LOVE OR HATE
REMEMBER ONE : GET OUT OF MY WAY

WITH NO HOPE , FAITH ALREADY LEFT
LIVING DAY BY DAY ,OBLIVION IS THE REST
DAY BY DAY YOU BECOME AN ANIMAL
TRYING TO SURVIVE , WAITING TILL THE NIGHT

YOU CAN ANALYZE THE LIFE
BUILT , CREATE AND FACTORIZE
YOU CAN WATCH IT PIECE BY PIECE
MISUNDERSTAND ALL OF THIS
BUT HAVE YOUR HOPE , YOU DON'T NEED MONEY
AND BELIEVE , YOU DON'T NEED THE ENEMY NO MORE
THERE'S ONLY ONE THING , NECESSARY TO LIVE
TAKE YOUR LIFE IN FULL ,FULL SWING

LEAVE YOUR FEAR AND LET YOUR SPIRIT WORK
NOBODY CAN DO MORE , NOBODY CAN
CLOSE YOUR EYES - REALITY IS BACK
WHEN YOU HEAR LAUGHTER - NOW YOU DON'T CARE
VENTURE TO MAKE YOUR LIFE REAL
NOTHING VENTURE-NOTHING GAIN
VENTURE TO MAKE YOUR LIFE REAL

NOTHING VENTURE-NOTHING GAIN

I LIVE EVERY DAY LIFE
I VENTURE ALL MY TIME
SPIRIT LEADS SOMEBODY
DO YOU WANNA BE SOMEBODY ?
LIFE'S NOT ONLY THE HEART BEAT
ought to feel , ought to believe
ought to know what matters
and I fight when it's time to

now I feel this state
I can take deep breath
feeling real life
first time I feel alive
now I feel the air
no voices in my head
no more infectious lies
first time I'm alive
