

I Take What I Want

Rory Gallagher

Owww...

Well, I take what I want,
I'm a bad go-getter, yeah, that's what I am.
I never lose and I ain't no quitter yet,
'Cos I take what I want, and baby, I want you.

Well, I've been watching you walk by,
And I have not said a word, not one word.
But now I'm out to get you, baby,
And I'm gonna make you my girl, my loving girl.
'Cos I take what I want and baby I want you.

Gonna pick you up now baby,
And carry you away.
So you'd better pack up now baby,
Pack it up today.

Well here I am, I'm just a big bad man.
When I walk away baby,
You'll be holding my hand.

I take what I want,
Well, I'm a bad go-getter, yeah.

Yeah.
I never lose and I ain't no quitter yet.
'Cos I take what I want,
And baby, I want you.

Owww...all right...

Gonna pick you up now baby,
And carry you away. (yes I am)
So you'd better pack up now baby.
Pack it up today.

Well, here I am, I'm just a big bad man.
When I walk away baby,
You'll be holding my hand.

I take what I want,
Well, I'm a bad go-getter yeah.
I never lose and I ain't no quitter yet,
'Cos I take what I want,
And baby, I want you.
