

# Maybe I Will

Rory Gallagher

Running through a pool of rain  
I think I'll do it one more time again  
I hope I always feel this way  
Maybe I will

Searching for a piece of ground  
Where I can lay my body down  
With the earth for a pillow under my head

Wake up in the morning  
It's a brand new day  
And though it seems the same  
It's different from yesterday  
Then I read the leaves  
And put my cup away

Running down a country lane  
Looking on a a field of grain  
Just to see you smile  
Makes me feel alive again

Opening another door  
I'll see what I have not seen before  
Maybe I'll find what I'm looking for

Running through a pool of rain  
I think I'll do it one more time again  
I hope I always feel this way  
Maybe I will  
Maybe I will
