

# Shadow Play

Rory Gallagher

In the flinty light, it's midnight and stars collide  
Shadows run, in full flight, to run, seek and hide  
Well, I'm still not sure what part I play  
In this shadow play, this shadow play

In the half light, on this mad night  
I hear a voice in time  
Well, I look back, see a half-smile  
Then it's gone from sight

Won't you tell me how I can find my way?  
In this shadow play, this shadow play  
In this shadow play, this shadow play

Sounds come crashing and I hear laughing  
All those lights just blaze away  
I feel a little strange inside  
A little bit of Jekyll, a little Mr. Hyde

Sounds come crashing and I hear laughing?  
All those lights just blaze away  
I feel a little strange inside  
A little Mr. Jekyll, a little Mr. Hyde

Thoughts run wild, free as a child, into the night  
Across the screen a thin beam, of magic light  
Yeah, things they just don't look the same  
In this shadow play, this shadow play

Shadow play, shadow play  
I can't run away from this shadow play  
Shadow play, this shadow play
