

# Black Cadillac

Rosanne Cash

It was a black Cadillac drove you away  
Everybody's talkin'  
But they don't have much to say  
There was a black sky of rain  
None of it fell  
One of us gets to go to heaven  
One has to stay here in hell

Now it's a lonely world  
Guess it always was  
Minus you and minus blood  
My blood

It was a black Cadillac

Like one you used to drive  
Now you were always rollin'  
But those wheels burn up your life  
Oh, it's a black heart of pain that I'm wearin'  
Suits me just fine  
Oh, there was nothin' I could do for you  
When you were still alive

Yeah, it's a lonely world  
Just a numbers game  
Well, a hundred years  
Will find me feelin' just the same

Yeah, it's a lonely world  
I guess it always was  
Minus you and minus blood  
My blood
