

# If You Change Your Mind

Rosanne Cash

If you change your mind  
And leave the past behind  
You know where you'll always find me

And if she breaks your heart  
And tears your world apart  
You can always count on me

And when your heart's in doubt  
And things aren't working out  
I can be the one who makes you happy

Call me on the telephone  
Darling, I'm always home  
If you ever change your mind

When the time is right  
I can hold you tight  
You know I can wait forever

And time is on our side  
And we can surely find  
All the love we'll ever need

And take a chance on this  
Seal it with a kiss  
I can be the one who makes you happy

Call me on the telephone  
Darling, I'm always home  
If you ever change your mind

All I have is love to give you  
Baby, I could be there with you  
If you ever change your mind

Call me on the telephone  
Darling, I am always home  
If you ever change your mind
