

Real Woman

Rosanne Cash

Don't want to be a star
I don't want to talk through glass
I don't want to check my appearance
In your eyes

I don't need a million bucks
And baby, it don't take much
I don't need to play the princess
All the time

I want to be a real woman
Changin' every day
I want to be a real woman
Real in every way
I want to be a real woman

I don't want to be admired
I don't want to fake my smile
I don't want to use my charm
To disarm you

You don't have to spin your wheels
Oh baby, I know how that feels
You don't have to pass some test
Just to impress me

I want to be a real woman
Changin' every day
I want to be a real woman
Real in every way
I want to be a real woman

Real is how I deal with
What I deal with
Real is how I feel when
I know how I'm feelin'

I don't want to be a man
I just want to be what I am
I don't want to hide my light
So yours keeps shinin'

If you don't want to face the truth
Then you're not gonna like what I do
But you're not gonna make or break me
So don't start tryin'

I want to be a real woman
Changin' every day
I want to be a real woman
Real in every way
I want to be a real woman
