

## Understand Your Man

Rosanne Cash

Don't call my name out your window when I'm leaving  
I won't even turn my head  
Don't send your kinfolk to give me no talking  
I'll be gone like I said  
Now you've been saying the same old things  
That you've been saying all along  
Just lay there in your bed  
Keep your mouth shut until I'm gone  
Don't give me that old familiar cryin' cussin' morning  
Understand your man, understand your man

You can give my other suit to the Salvation Army  
And anything else I leave behind  
I ain't takin' nothin' they'll slow down my travellin'  
While I'm untangling my mind  
Now I ain't gonna repeat what I said anymore  
While I'm breathing air that ain't been breathe before  
I'll be gone as a wild goose in winter  
Then you'll understand your man  
What you told me, understand your man
