

# You Won't Let Me In

Rosanne Cash

I'm staying in your house  
I'm sleeping in your bed  
I'm walking through your dreams  
I'm dancing through your head  
I'm calling from the streets  
I'm crying like the wind  
'Cause you are there  
And I am here  
And you won't let me in

Well I'm changing like a girl  
On the threshold of her life  
In love with the whole world  
But staring down each night  
You're everything I need  
A love I can't defend  
But you are there  
And I am here  
And you won't let me in  
You are there  
And I am here  
And you won't let me in

No time for kisses  
No time to laugh  
No way that I can see  
To crawl out of our past

Well I'm falling to my knees  
But I'm flying like a bird  
I follow where you lead  
I hang on every word

I can't control the wind  
I don't care who you've been  
But you are there  
And I am here  
And you won't let me in  
You are there  
And I am here  
And you won't let me  
You are there  
I am here  
And you won't let me in  
You are there  
And I am here  
And you won't let me in

I keep on callin'  
I keep on callin'  
I keep on callin'
