You Won't Let Me In

Rosanne Cash

I'm staying in your house
I'm sleeping in your bed
I'm walking through your dreams
I'm dancing through your head
I'm calling from the streets
I'm crying like the wind
'Cause you are there
And I am here
And you won't let me in

Well I'm changing like a girl On the threshold of her life In love with the whole world But staring down each night You're everything I need A love I can't defend But you are there And I am here And you won't let me in You are there And I am here And I am here And you won't let me in

No time for kisses No time to laugh No way that I can see To crawl out of our past

Well I'm falling to my knees But I'm flying like a bird I follow where you lead I hang on every word

I can't control the wind I don't care who you've been But you are there And I am here And you won't let me in You are there And you won't let me You are there I am here And you won't let me in You are there And I am here And I am here I am here I am here And You won't let me in You are there I am here

I keep on callin' I keep on callin'
