Love Don't Live Here Anymore

Rose Royce

You abandoned me Love don't live here anymore Just a vacancy Love don't live here anymore

When you lived inside of me There was nothing I could conceive That you wouldn't do for me Trouble seemed so far away You changed that right away, baby

You abandoned me Love don't live here anymore Just a vacancy Love don't live here anymore

Love don't live here anymore Just emptiness and memories Of what we had before You went away Found another place to stay, another home

You abandoned me Love don't live here anymore Just a vacancy Love don't live here anymore

In the windmills of my eyes Everyone can see the loneliness inside me Why'd ya have to go away Don't you know I miss you so and need your love

You abandoned me Love don't live here anymore Just a vacancy Love don't live here anymore
