

# Ooh Boy

Rose Royce

Ooh boy I love you so never ever, ever  
Gonna let you go once I get my hands on you  
Ooh boy I love you so never ever, ever  
Gonna let you go I hope you feel the same way too

I watch you walk by my window and I don't even know your name  
Well my heart skips a beat and I feel weak  
When my eyes tell me here he comes again  
There's so many things I wanna to say  
But each time I see you boy, the words just seems  
To fade away infatuation love at first site  
I don't know I just wanna be in his heart

Ooh boy I love you so never ever, ever  
Gonna let you go once I get my hands on you  
Ooh boy I love you so never ever, ever  
Gonna let you go I hope you feel the same way too

There's talk going round town they say  
You love a girl like me and you put her down  
I hope with all my heart It's not true  
'Cause boy I wanna share my love with you  
I know that it's not right nor is it lady like  
For a girl to fool around and tell a guy how she feels  
But I want you to know deep down In my soul  
I'm experiencing something wonderful and new

And it's ooh boy I love you so never ever, ever  
Gonna let you go once I get my hands on you  
Ooh boy I love you so never ever, ever  
Gonna let you go I hope you feel the same way too

But when I go to bed at night I hold my pillow tight  
Pretending that it's you, if I had one wish  
And wishes came true I wish to be able to say these words to you

Ooh boy I love you so never ever, ever  
Gonna let you go once I get my hands on you  
Ooh boy I love you so never ever, ever  
Gonna let you go I hope you feel the same way too

Ooh boy I love you so never ever, ever  
Gonna let you go once I get my hands on you  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Boy I wish I could make this feelin' true
