

# Bad Boy For Love

Rose Tattoo

Thirty days in the county jail  
Let me out and I just wanted to wail  
Some fool tried to hold me down  
I got drunk and I ripped up the town

I'm a bad boy, a bad boy for love  
I'm a bad boy, a bad boy for love

Well I, I went around just to see my chick  
I found her room and it was candle lit  
She's makin' love to another man  
I shot 'em both and they locked me in the slam

I'm a bad boy, a bad boy for love  
I'm a bad boy, a bad boy for love

Mmm bad, so bad

Well I, I heard the the word there was a local break  
It was a chance I just had to take  
I jumped the wall and I was on the run  
They came after me with a thousand guns

Cause I'm a bad boy, a bad boy for love  
I'm a bad boy, a bad boy for love

Yeah I'm a bad boy, a bad boy for love  
Yeah I'm a bad boy, a bad boy for love

Honey I'm bad, thirty years mama  
In the county jail,
