

## From This Moment On

Rosemary Clooney

From this moment on,  
You for me dear,  
Only two for tea dear,  
From this moment on,

From this happy day,  
No more blue songs,  
Only hoop-de-doo songs,  
From this moment on

You've got the love I need so much  
Got the skin I love to touch  
Got the arms to hold me tight  
Got the sweet lips to kiss me goodnight

From this moment on  
You and I babe  
We'll be ridin' high babe  
Every care is gone  
From this moment on.

You've got the love I need so much  
Got the skin I love to touch  
Got the arms to hold me tight  
Got the sweet lips to kiss me goodnight

From this moment on  
You and I babe  
We'll be ridin' high babe  
Every care is gone  
From this moment,  
From this moment,  
This very moment,  
This moment on.
