Mangos

Rosemary Clooney

Mangoes, papaya, chestnuts from the fire In my house of straw I have so much more Pie from the peach and I fix in the kitchen Each bite is just right for your appetite

Now if you like-a the way I cook And if you like-a the way I look Then step inside my shady nook And you'll find mangoes and papayas, anything your heart desire s

Mangoes, papaya, chestnuts from the fire The food is so good, you will want to stay Eat up and drink up and maybe you'll think up The day when we say preacher man okay

Now if you like-a the way I cook And if you like-a the way I look Then step inside my shady nook And you'll find mangoes and papayas, anything your heart desire s

Mangoes, papaya, chestnuts from the fire The food is so good, you will want to stay Eat up and drink up and maybe you'll think up The day when we say preacher man okay It's alright, it's alright
