

The Legend

Roses Are Red

its everything about me- you know i can't explain- as i lie awake beside you- one thing for you to doubt me- but dont forget my name- i hope one day you'll feel the same- i'd rather throw it all away to be with you- im somewhere in the shadows- suffering in the light of you- sometime you live- sometimes you wait- but you'll never know- right nows the time to close my eyes and let it go
