

Shadow

Rosetta Stone

No more...
A shade beyond remains in dust
Ashes...
Supernal sin breeds mistrust
Ring the false
You know it stands to reason
Guide the lost
Through this confusion

Shadow and shade for always
Lord it over

And we lay the cards
To ease our minds
To run for cover
To leave behind
Leave behind this...

Sortilage...
Beyond the age of premonition
Far from here
The afterglow of pure resplendence
Horizons
In hand

Temporal virtues of forgotten lands
And nocturnal skies
Will shine for me
A blessing in your eyes

Coming events cast shadows before...
