

With your hands wide open  
Release  
An energy  
Scatter  
Scatter ember

With your hands wide open  
Renew the days we all thought lost  
Renew the days  
Let go  
Release revolve renew

Renew  
Hollowed hands become those  
Those of the sand  
I'll sing you a song of relief  
Ye of no woes  
A solar flare from afar
