

# Crushed

Rosette

I told myself today was gonna be the day  
No more excuses 'cuz I knew exactly what to say  
Was gonna make my play but just like yesterday  
My mind erased and I let the moment slip away  
Another night got me sitting here all on my own  
Picking up the phone,  
But I cant get past the dial tone  
Racking my brain  
Going insane  
Again and again  
I cant keep going this way

CRUSHED,  
By the sweetest lips I've never kissed  
And your fingertips and the warmest touch I've always missed  
CRUSHED,  
By the softest hands I've never held  
Probably never tell,  
You're the strongest love that I've ever felt  
CRUSHED,  
That I haven't ever let you know  
How it always goes  
Cuz I lose my nerve whenever you get close  
And so I'm left,  
Short of breath  
With that heavy feeling in my chest  
Baby I'm so crushed

So I told myself that tomorrow's gonna be the day  
And I keep on telling myself that I'm gonna find a way  
And I wont be afraid just like yesterday  
Wont walk away never gonna let another chance slip away  
Cuz' I gotta know which ever way its gonna go  
Rest my heart and soul  
Cuz' there can never be no more  
Racking my brain  
Going insane  
Again and again  
I wont keep going this way

Crushing I'm so into you, don't know what I'm going to do.  
Gotta find a way to you.(and I wanna stress that I always missed)  
(Crushed)  
Crushing I'm so into you, don't know what I'm going to do.  
Gotta find a way to you.(strongest love I ever felt)  
(Crushed)  
Crushing I'm so into you, don't know what I'm going to do.  
Gotta find a way to you.

And so I'm left, short-of-breath  
With that heavy feeling in my chest  
Baby I'm so  
Cruuuushed
