

# How Can Sorry Ever Mend A Broken Heart

Rosette

What can I say when words can't make it better  
What do I do when I can't forgive myself for what I've done  
Where can I go when memories are tearing me apart  
How can sorry ever mend a broken heart

I cannot hope when everything is hopeless  
Why do I try when nothing I can do will bring you back  
Why do I dry my crying eyes when I know that tears will start  
How can sorry ever mend a broken heart, ooh

You only ever treated me so kind  
Must have been stupid, out of my mind  
I let you down one too many times, ooh

Where can I go when memories are tearing me apart  
How can sorry ever mend a broken heart

How could I have messed it up so bad  
Throw away everything we had  
Looked in the mirror, don't know who I am  
Oh, no no

What can I say when words can't make it better  
What do I do when I can't forgive myself for what I've done  
Where can I go when memories are tearing me apart  
How can sorry ever mend a broken heart

Why do I dry my crying eyes when I know that tears will start,  
ooh

How can sorry ever mend a broken heart  
Ooh  
A broken heart
