

I'm So Gone

Rosette

How could love ever turn to pain?
How could you and me and us just change?
All the memories we had are stained
I can't take this shit
How'd I ever let it get this bad?
Messed up any chance we had
Throwing stones in a house of glass
I just hate this shit

(Oh, oh)
I'm the one to blame
(Oh, oh)
Cause I'm the one who stayed

I wanna speak without speaking
I wanna cry without weeping
I wanna scream without a sound
I'm standing here but I'm so gone
You wanna touch the no feelin'
You wanna stay so I'm leavin'
End of story I don't belong
I'm standin' here but I'm so gone
(I'm so gone) I'm so gone (I'm so gone)

I can't make up for what you've done
Can't cover up my heart is numb
You cut deep damage done
I just hate this shit
You're broken up beggin' me don't go
But there's somethin' you gotta know
I should have done this long ago
I can't talk this shit

(Oh, oh)
I'm the one to blame
(Oh, oh)
Cause I'm the one who stayed

I wanna speak without speaking
I wanna cry without weeping
I wanna scream without a sound
I'm standing here but I'm so gone
You wanna touch the no feelin'
You wanna stay so I'm leavin'
End of story I don't belong
I'm standin' here but I'm so gone
(I'm so gone) I'm so gone (I'm so gone)

Ooh, ooh no second chances anymore
Ooh, ooh I'm already out the door ooh
I'm standin' here but I'm so gone

I wanna speak without speaking
I wanna cry without weeping
I wanna scream without a sound
I'm standing here but I'm so gone
Leavin'

I'm standin here but I'm so gone

I wanna speak without speaking

I wanna cry without weeping

I wanna scream without a sound

I'm standing here but I'm so gone

You wanna touch the no feelin'

You wanna stay so I'm leavin'

End of story I don't belong

I'm standin' here but I'm so gone

(I'm so gone) I'm so gone (I'm so gone) Yeah (I'm so gone) I'm the one to bla
me (I'm so gone) Cause I'm the one who stayed Ooh, I'm so gone
