

# I Don't Wanna Wait

Rosi Golan

No tell me where to go  
No one tells me what to do today  
Cause I don't know where I begin  
Don't know where I'm gonna end today

And I feel just like a child  
Thinking everything is mine  
At the drop of a dime  
And I'm walking round this town  
I'm lookin up I'm lookin down  
Singing singing now

I don't wanna wait  
I don't wanna wait  
I don't wanna wait  
Thinking everything is alright

The moment that I wait  
Or I hesitate  
Is a moment that I waste  
I can see it all passin me by  
I can see it all pasin me

The streets, the bars, the restaurants  
The foreign talk, the ambiance they gave  
A day, a week, a month it seems  
I'm always running out of steam and then

Oh I feel just like a child  
Running round and getting wild  
Unaware of the time

Cause it's here and then it's not,  
And I recall what I forgot  
I'm singing singing now

I don't wanna wait  
I don't wanna wait  
I don't wanna wait  
Thinking everything is alright

The moment that I wait  
Or I hesitate  
Is a moment that I waste  
I can see it all passin me by  
I can see it all passin me

And they say  
Good things come  
It's worth it  
But I feel just like a child  
I feel just like a child  
Singing singing now

I don't wanna wait  
I don't wanna wait  
I don't wanna wait

Thinking everything is alright

The moment that I wait  
Or I hesitate  
Is a moment that I waste  
I can see it all passin me and

I don't wanna wait  
I don't wanna wait  
I don't wanna wait  
Thinking everything is alright

The moment that I wait  
Or I hesitate  
Is a moment that I waste  
I can see it all passin me by  
I can see it all passin me
