I love our silences more, more than the things we say Might have our differences but, deep down we're one and the sam e

But I've been burned so bad can't help it if I pull away

When the world's on fire you kiss me and you say it'll be alrig ht

Oh and the more I try to resist you the more I seem to slide, i nto the fire

I'm tired of not trusting me, for trying to trust in you Must be so exhausting for you, questioning all that you do

But I've been burned so bad can't help it if I pull away

When the world's on fire you kiss me and you say it'll be alrig ht

Oh and the more I try to resist you the more I seem to slide, i nto the fire  $\$ 

You're dealing with it well, considering how, How crazy it is, to carry on like this, when everything's so pe rfect

When the world's on fire you kiss me and you say it'll be alrig ht

Oh and the more I try to resist you the more I seem to slide, i nto the fire  $% \left( 1\right) =\left( 1\right) +\left( 1\right$
