You & I

Rosi Golan

Happenstance and circumstance are all knotted up in the start o f us Open eyes, open wide but if it happened once, it happened We sat down and spoke about all the ways that you didn't want t o fall Drenched in talk, untangling thoughts that we had out loud from the inside out My heart felt like it could burst wide open When you arrived from nowhere there was nothing now there's you and I, you and I Oh this came out of nowhere there was no one now there's you an d I, you and I And we dove in our skin on skin and I read out loud all the thi ngs I like We fell asleep, our bodies neatly tucked away underneath the sh eets Your heart felt like it could burst wide open When you arrived from nowhere there was nothing now there's you and I, you and I Oh this came out of nowhere there was no one now there's you an d I, you and I Oh you arrived from nowhere there was nothing now there's you a nd I, you and I Oh this came out of nowhere there was no one now there's you an d I, you and I

You will leave, and we might fade but if it happened once, it h appened.
