

All My Life

Rosie Thomas

I've been waiting all my life
I've been waiting for you to come
I've traveling and wandering
Alone on my own for too long

I swear I tried to convince myself
It would be much easier just being alone
But after running circle after circle
I'm tired of being on my own

I've been waiting all my life
I've been waiting for you to come
I've been traveling and wandering
Alone on my own for too long

I wish I could have met your brother
I would tell him how much I am in love
I swear I'll ask him question after question
Confessions about you growing up

I thank God for blessing me
Well beyond I could have thought
And reminding me how good life can be
When you let yourself fall into his love

Cuz I've been waiting all my life
I've been waiting for you to come
